

C cable gun

Version: 2011-07

pneumatically operated, water cooled* C spot welding guns

- double cylinder
- ATL, ATM
- contact pressure 480 daN
- we supply the matching water or air cooled electrode arms in an extremely warp-resistant industrial quality.
- for various shapes see air cooled electrode arms
- other shapes available on request

At InvertaSpot™ this cable gun is also used as a vehicle gun.

Working stroke	15 mm
Retract	15 mm
Cable cross-section	175 mm ²
Electrode force at 6 bar	480 daN
Electrode diameter	13 mm
Welding cable length	2750 mm
Weight	9.3 kg (20.5 Kg)
Order-number	XK9.412.015B000

Further variations on request!

*this kit does not include a water chiller!
