

# Akzent 9000

Version: 01-2011

## Microprocessor thyristor controls

- 19"-module with 5,7" color display
- Touch screen and turning knob navigation
- 512 programs
- adaptive regulation
- Qualitätssicherungsprozessor for monitoring
- Störgrößenerkennung and regulation
- programmable Messeingänge for path, pressure, voltage, current
- Vernetzung über Feldbus (Profibus)
- System-Controller (für Schaltschrankmontage)

Order-number: XS7.303.200 (operating unit, without power section)

We reserve the right to make changes which are in the interest of technical progress.
